

**Position Title: Consultant/Senior Consultant – SharePoint Infrastructure**      **Department: Professional Services**

***Our Mission:***

PointBridge is a consulting company that works with customers to improve their business performance by connecting people to people and people to information with Microsoft technologies. We build award-winning collaboration and communication solutions with Microsoft technologies including SharePoint, Exchange, Office Communications Server, and SQL Server.

***Position Summary:***

Consultants at PointBridge contribute directly to our mission by working with customers to solve their business problems and improve business performance. You will solve these problems by working in an energetic, team-oriented environment collaborating with smart, motivated people.

***Responsibilities:***

- Work independently or on a team to design, build, stabilize and deploy SharePoint 2010 farms and several core technologies including Windows Server 2008, SQL Server 2008, and network devices and protocols
- Set up and/or migration of on-premise SharePoint environments to Microsoft SharePoint On-line Services
- Backup, disaster recovery, and governance planning and deployment for enterprise SharePoint environments
- Participate in customer team meetings to gather business and technical requirements for projects
- Participate in team meetings to discuss ongoing project status and deliverables
- Apply and share knowledge; contribute ideas and opinions

***Knowledge, Skills, Certifications:***

- 2-3 years of SharePoint infrastructure experience, including design, deploy, troubleshoot and migration
- Strong Windows Server background, including: Windows Internet Information Services, Active Directory Domain Services, and troubleshooting and maintaining Windows Services
- Working knowledge of SQL Server design
- Experience with remote storage protocols
- Exposure to virtualization technologies

***Additional requirements for all PointBridge employees:***

- Strong communication skills and ability to present to small/medium groups
- Strong customer relationship skills
- Ability to work well in a team environment
- Demonstrated ability to successfully multi-task
- High energy and a self-starter
- Willingness to travel up to 50%
- Demonstrated ability to embrace and support our Core Values

***Culture and Values***

Candidates of PointBridge must exude the qualities that are core to the values of PointBridge:

- **Customer Experience**—*Delivering beyond expectations through not only the quality of our work but the quality of service we deliver to every customer*
- **Entrepreneurial Passion**—*Ambition to aggressively drive growth embracing change and continuous improvement*
- **Technical Brilliance; Total Reliability**—*Discipline in mastering our craft through pride, leadership, and accountability in our work*
- **Winning Together**—*Teaming with, and respect for, co-workers, customers, partners and the community to build lasting relationships that drive results*
- **Integrity**—*Delivering what we promise and always choosing to do the right thing*
